Charitable services are defined as events or services provided to the residents of Auburn free of charge and where the City is a sponsor of the specific event or service. For the purposes hereof, “compelling cases” mean instances where there is an extraordinary need (greatly beyond current and ordinary need) for the charitable services that would be able to be provided. The intent of this authorization is to empower the Mayor with sole discretion to waive some fees in unique situations where there is a greatly increased need for new charitable services to be provided, and where the reduction of fees to the City will not detrimentally impact the City’s ability to provide municipal services. This waiver does not include Impact Fees, System Development Charges, any fees related to Franchise or Public Way Agreements, Right-of-way Vacations, Right-of-Way Use Permits, Facility Extensions, Police Department Fees, Animal Licensing Fees and Penalties, Banner Permit Fees, or Cemetery or Parks fees.
